# Volunteers Needed!

## Flag Day 2007

AMK-THKH and Loving Heart Multi-Service Centre annual Flag Day is coming up in May 2007. We need volunteers to help raise funds for the needy in Singapore. A minimum of 3,000 volunteers (aged 15 years and above) is needed for this event.

**Ang Mo Kio - Thye Hua Kwan Hospital Ltd** is a leading 200-bedded hospital. We provide rehabilitation and geriatric care. Our goal is to provide holistic and quality healthcare with the view of making our patients self-reliant so that they are able to re-integrate into the society. We welcome you to be a part of this dynamic voluntary welfare organisation (VWO).

Loving Heart Multi-Service Centre is not a funded agency. It depends on donations to run its programmes and services to help needy residents especially the elderly and the disadvantaged. More than 2000 meals a month are delivered to needy and elderly residents in the western sector particularly in the Jurong GRC. The Centre also provides food rations, home help services, job placement, counseling, family life education, networking with other VWOs, information and referral services and other centre-based programmes and activities.
